

KINDERCHATTER

KB Classroom Update

We had such a wonderful month in October exploring the 4 food groups. We are extremely blessed to have such an abundance of food to enjoy! We had the opportunity to not only talk about food, but to taste a variety of different foods as well. We baked bread, tasted lots of different fruits and vegetables, made butter, and made ice cream! It was great fun! We only wish that every month could be this tasty in Kindergarten.... :)

The topic of study for November is "*Living Things of the Past*". The goal of this unit is to instill in each child a continued sense of awe and wonder in God's creation. The topic of dinosaurs seems to provide endless fascination for children, so we are excited to explore this theme together.

The Bible verse for this month is *Genesis 1:25*

"And God made the beasts of the earth according to their kind..."

This month in **Math** students will continue to sort objects by a single attribute and also extend and create 2&3 part patterns. We will also be learning how build/compare numbers and sets of objects using words to describe them such as more than, less than, greater, fewer, equal to. We will also continue to learn/practice proper printing of the numbers 1-6 and introduce 7 & 8.

In **Literacy**, we will be covering the letters D, R & E. Our sight words this month are **can, and, to, was**. We will also focus on action words and sequencing events in a story as well as syllabification (ie. how many "claps" in a word). We will expand our journal entries by beginning to write single words to label the pictures we draw and add speech bubbles our drawings.

Our **BE-Attitudes** for the month of November are "*BE a Justice -Seeker*" and "*BE a Peacemaker*".

In **Bible** we will continue to learn about Jesus, His teachings, and how He brought peace to God's fallen world.

November At-A-Glance

November 1st: SCHOOL for KB 👍
November 8th: NO SCHOOL for KB
November 11th: NO SCHOOL, Remembrance Day
November 12th: NO SCHOOL, PD Day
November 13th: Boys Show-And-Tell "Antiques Road Show"
November 15th: SCHOOL for KB 👍
November 20th: Girls Show-And-Tell "Antiques Road Show"
November 20th & 25th: Parent/Teacher Conferences (more info below!)
November 27th: Dress as your favourite book character day!
November 29th: SCHOOL for KB 👍

Fridays in November: KB has school on Friday, November 1st, 15th and 29th.
There is NO SCHOOL for KB on November 8th or November 22nd.

Warm Clothing Reminder: We had good weather for much of October; however, colder weather is just around the corner. At school, we will go outside for recess breaks up to -20 degrees celsius. Please ensure that you are sending your child to school with appropriately warm clothes and footwear. Thank you!

Show and Tell: Now that we are entering our third month of Kindergarten, the focus of our Show-And-Tell is going to start to shift. We will now only be doing it twice a month (girls once and boys once) and I will be asking for the students to bring in specific items to share.

Because we will be learning about 'Living Things of the Past', our sharing theme in November is going to be "Antiques Road Show" where I will be asking the students to bring in something that is *older* than them. Your child will likely need your help finding something around the house to bring. In addition, there will be guiding questions that I will be sending home for you to discuss with your child as they are preparing to share their item with the class.

Show-And-Tell schedule for November: November 13th - BOYS, November 20th - GIRLS

Kindergarten will be holding Parent/Teacher Conferences on Wednesday, November 20th & on Monday, November 25th from 4:00-7:00pm. Starting on Wednesday, November 13th, you can call the school office (403-242-2896) to book your appointment time. I look forward to meeting with you!

I wish everyone a wonderful November! We continue to appreciate your prayers and support of our little Kinder-community.

Warmly, Nicole Bruins
